

## Direct Download Office App for iPad

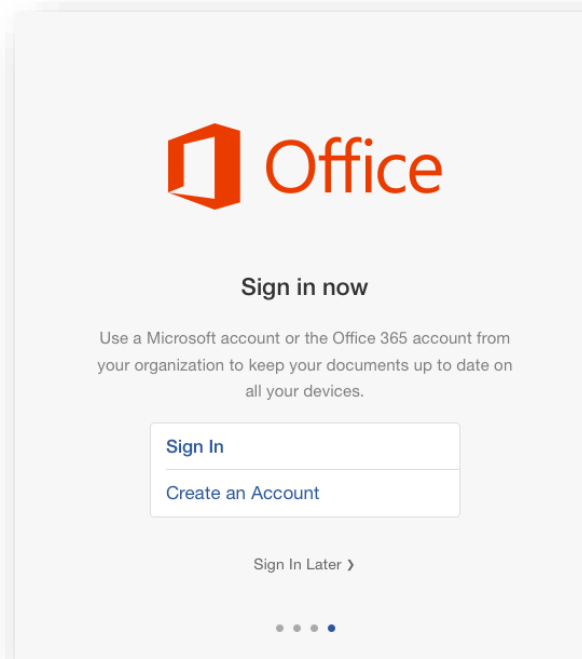

By clicking the direct download link for the app you wish to download, you will be brought to the Apple Store. Press the **cloud** button to download.

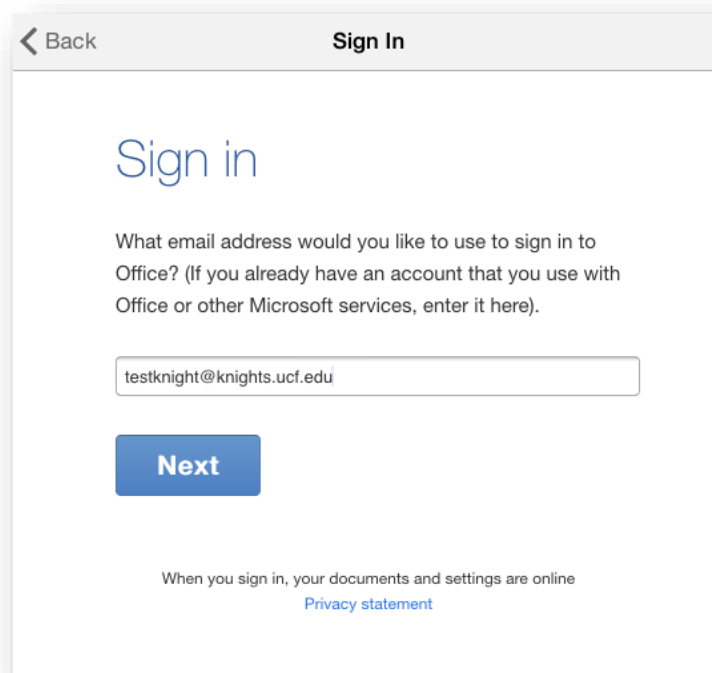

You will be then guided through a series of screens as the app sets up.

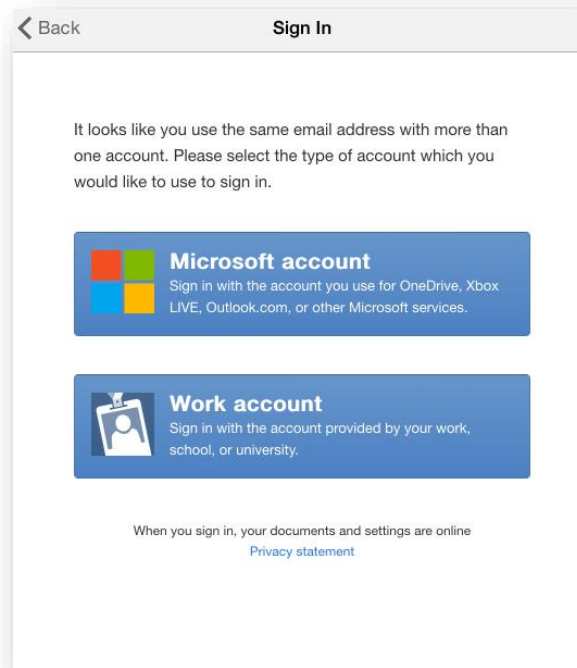

Then press **Sign In**.

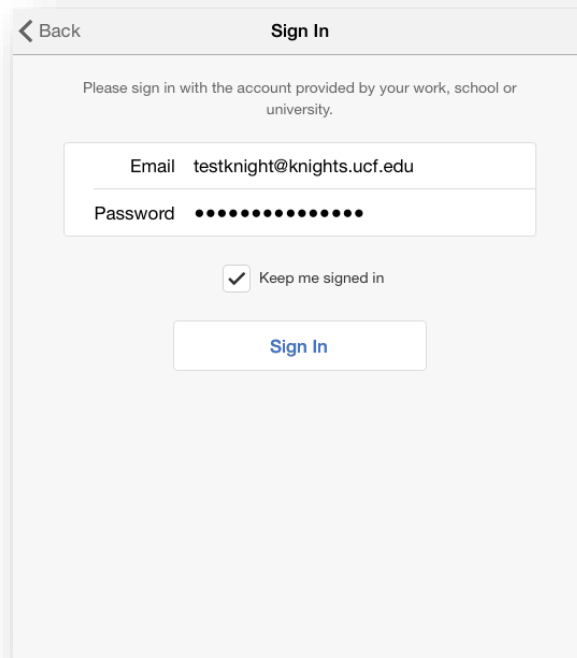

Type in your Knights Email address, and press **Next**.

Select **Work Account**.

Then enter your password and press **Sign In** again.

The app will now be successfully installed on your iPad, connected to your Knights Email account, and ready for use.
